

STRUCTURE OF THE THE INSPECTION

Learn what happens on Day One & Two of your inspection

In a 2022 Section Eight Ofsted Inspection, the days were structured as follows:

DAY ONE

- Initial subject meetings took place for the inspector to ask questions about the curriculum
- Lesson observations
- Speaking with children
- Secondary meetings with subject leads for the inspector to ask any further questions and clarify anything observed
- Staff were interviewed to qualify the answers provided by the subject lead
- At the end of the day, the inspector confirmed if they need anything further on day two (it is a good sign if the inspector has everything they need on day one)

DAY TWO

- The inspector will use this day to investigate any areas of concern or investigate anything they believe is missing from the initial inspection
- They will also explore topics outside of the core teaching subjects, e.g. learning walk
